Dedication

We, the graduating class of 1955, wish to dedicate this annual to the memory of David Roth, who passed away January 30, 1955. Although illness prevented his attending high school, he was with us in thought.

His courage, like the David of centuries ago, was an inspiration to all with whom he came in contact.

Brocton Class Prophecy

The year is 1965, exactly ten years after nine women and five men graduated from Brocton High School. As we arrive in Brocton, we decide to look up some of the graduates of 1955.

The first thing we see as we drive into town is a new white house with green shutters. In front we find two boys and a small girl. When we get to the door, we find that it is the home of Mr. and Mrs. Fred Conrad, formerly Ruth Harris, then continue our journey. Down the street a couple of blocks we see four girls playing in a yard and are told that this is the home of Mr. Lee Bridgeman, a wealthy oilman. His wife is the former Miss Anita Ashmore. After lunch, we decide to do some shopping, and while in Paris, we meet Mr. and Mrs. Robert Callaway, now residents of Paris. Talking to Mrs. Callaway formerly Miss Hazel Miller, we learn that Virginia Snider is now a registered nurse stationed at a Naval Air Force Base Hospital in Wyoming. At the courthouse, we find Miss Patsy Wright who is the home advisor for Edgar County. Patsy hopes to be married soon. On returning to Brocton, we stop at the old Alma Mater and find Miss Mary Helen Williams teaching English replacing Mr. Stafford who retired after a nervous breakdown in June 1955.

John North, we hear, is married, and is the father of a baby girl. His wife is the former Miss Patty Frahm. Gene Rodgers, a former hot rod race driver, is now a mechanic and owns his own garage. Jim North, Lloyd Maggert, and Maurice Waller are all West Point graduates now serving in Europe, and Janet Jones is now at Zion, Ill., attending Bible College. Shirley Geiling and Karen Hall are now registered beauticians and have a chain of shops in the Chicago area called the Geiling-Hall Better Beauty Bars.

I, Carolyn Irene Dornblaser, will my red hair to Gail McNeese.

Class Prophecy

In this year of 1975 we now look in on the 1955 Young America High School Seniors to see what they have accomplished in the last twenty years.

As we are flying over the beautiful country in California the pilot of our small sea plane, Pat Julian, decided we had better land for the night. Upon landing we find we have landed on a large swimming pool which is a part of the resort owned by Doris and Harold Stone. We find two more class members as the Stone's weekend guests and we have a nice chat with Carolyn and Tom Drake, from New York. We find they have two red-headed twin girls, Irene and Jean. From talking with them we find that Carol and Earl McMullen live in the same apartment building with Linda and John Coy. The two men own WGN Television Stations. Dick Johnson and Parker Julian are both happily married and have two children, which are both sophomores in Los Angeles High School. We learn that their commercial teacher is Miss Ruth Ann Helms.

As we journey on to Oregon we find that Joan and Clayton McElwee live on a large estate. At the McElwee home we decided to call Seattle, Washington to tell Carol and Marvin Smith that we would be visiting them soon. As we were entering Seattle, we were startled to see such a large fruit market, so we thought we would stop and look around. Upon entering the market we were very startled to be greeted by Mrs. Sandra Frazee, formerly Sandra Smith. She told us that Joe and her two sons were owners of other large markets in Washington. We went on in and visited Carol and Marvin and found them happily married with four grown boys. On our journey home our pilot, Pat Julian, was taken ill and rushed to the hospital in Butte, Montana. We went to visit him and found his nurse to be Mrs. Bernice Allison. Through our talk with Bernice we found that Joetta and Don Gresham were happily married and owned several silver smelters in Montana.

On our journey back to our old home state we found Alice Ann and her husband operating the First National Bank in Chrisman, Illinois.

We were happy to know our old class of '55 had been so successful and we wish them happiness, success and joy throughout their entire lives.
